Why, it covers the whole of an undergraduate's career; it converts the newly-entered maiden of Newnham, the fresh-girl, into a high wrangler, at mention of whose name the Senior Moderator raises his cap, and the undergraduates in the gallery shout. In three years Jack may become famous, and Jill may go through all the soft emotions which belong to love and courtship and a trousseau and a wedding-ring, and from a girl become a matron and a mother. There is not the quietest village in the most secluded part of England which does not see changes in three years.
