Reviews

Excellent e-book and useful one. It can be rally intriguing throgh looking at time period. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Pasquale Klocko)

WHISKY: THE INDUSTRY AND THE DRINK

Shire Publications Ltd. Hardback. Book Condition: new. BRAND NEW, Whisky: The Industry and the Drink, Ted Bruning, A dram of fine scotch can transport us to Scotland - Highlands or Lowlands, coast or island - from anywhere in the world. This fully illustrated book looks at the ingredients and processes, the distilleries, the famous whiskies, and the wealth of colourful tales that make scotch whisky what it is. Inside front: Scotch whisky: words redolent of Highland vistas and wind-blown coasts, carefully guarded family traditions and the living heritage of craft-based distilling. Yet despite these very specific associations it is also the world's most popular spirit, with new devotees flocking constantly from across the globe. Scotch Whisky looks at the history of the industry and drink - from moonlighters and Excisemen through prohibition up to recent competition from trendier clear spirits - and at what makes each malt whisky so unique: the various distilleries, the raw materials, the distillation and maturation, the sometimes minute variations that can make tremendous differences in flavor and aroma. Looking as well at grain whisky and blends, it is the only guide you will need to scotch and the scotch industry, whether touring distilleries or relaxing at home with a dram.
