

Dead White Guys: A Father, His Daughter and the Great Books of the Western World

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

Viva Editions. Paperback. Book Condition: new. BRAND NEW, Dead White Guys: A Father, His Daughter and the Great Books of the Western World, Matt Burriesci, Dead White Guys is a timely defense of the great books, arriving in the middle of a national debate about the fate of these books in high schools and universities around the country. Burriesci shows how the great books can enrich our lives as individuals, as citizens, and in our careers. Extending the argument first made by Anna Quindlen's on the act of reading itself, *How Reading Changed My Life*, ("It is like the rubbing of two sticks together to make a fire, the act of reading, an improbable pedestrian task that leads to heat and light,) Burriesci reminds us all of the enormous impact reading has on our lives. After his daughter was born prematurely in 2010, Burriesci set out to write a book about 26 Great Books, from Plato to Karl Marx, and how their lessons have applied to his life. As someone who has spent a long and successful career advocating for great literature, Burriesci defends the great books in this series of tender and candid letters, rich in personal experience and full of humor.
