Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Having full reason to trust his assurances, she promised to obey these directions; though not without some apprehensions as tho time appointed drew near. She succeeded, however, in concealing those feelings from her young friend. The day passed as usual; and, as the clock struck ten, they separated for the night. Resolving not to alarm herself unnecessarily by dwelling on the singular interview which was before her, Miss Mackay sat down to read till it was time to leave her room. Then, wrapping herself in her plaid, she knelt down for a few moments to ask a blessing on her enterprise. As the clock struck twelve she opened her door, and lightly descending the stairs, and threading the mazes of a long and intricate passage, she let herself out by a back door into one of the open courts. From thence she made her way through other deserted passages and roofless portions of the building, till she entered the most distant quadrangle, where stood the great tower. By the light of a small lantern, which she kept carefully turned in an opposite direction from the inhabited part of the castle, she saw the laird was waiting for her at the appointed spot. In silence he bowed his head as she came up to him; and, leading the way, proceeded to a door at the foot of the tower....
