Excerpt: . . . of one hundred millions; it would be found that taxation there would be as great as it is here. The share which the people are said to have in the government, next demands a few words; for, of all the cheats that impose on the deluded people of this country, this surely is the greatest. I grant that throughout the union, the right of voting, in the first instance, is nearly universal. But, in chusing the members of congress, so many are the different modes of election that, in some states, the people have no voice at all. The members of the senate (which answers to our house of lords,) arc all nominated by the representative bodies of the Arthur Young. different states; and the house of representatives are generally chosen by tickets. If a state sends thirteen members, the leading men of...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
