## DARE TO DREAM

Reuts Publications, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The world was going to end. Of that, Maggie Trafford was certain. Fourteen-year-old Maggie Trafford leads a normal life. Well, as normal as being crammed in a three-bedroom house with four siblings and a single parent can be, anyway. But despite being somewhat ignored at home, Maggie excels, earning top grades, a best friend who would do anything for her, and stolen looks from a boy in Maths. It s not until the dreams start that Maggie realizes normal is the least of her problems. Every night, she lives the same nightmare-red lightning, shattered glass, destruction. But nightmares are just that, right? No one believes her when she says it s an omen. At least, not until the already mysterious pillars of Stonehenge start falling. No longer alone in her fear, Maggie and the world watch with bated breath as one after another, the historic stones tumble, like a clock counting down. But only Maggie knows what it means: when the last stone falls, destruction will reign. And when the world ends, there s only one option left-survive. Horrifying and raw, Dare to Dream is equal parts tragedy and hope, detailing the aftermath of apocalyptic catastrophe, the quest for survival, and the importance of belief.
