

The Circus of Dr. Lao (2nd Revised edition)

By Charles G. Finney, Michael Martone, John Marco

University of Nebraska Press. Paperback. Book Condition: new. BRAND NEW, The Circus of Dr. Lao (2nd Revised edition), Charles G. Finney, Michael Martone, John Marco, Abalone, Arizona, is a sleepy southwestern town whose chief concerns are boredom and surviving the Great Depression that is, until the circus of Dr. Lao arrives and immensely and irrevocably changes the lives of everyone drawn to its tents. Expecting a sideshow spectacle, the citizens of Abalone instead confront and learn profound lessons from the mythical made real: a chimera, a Medusa, a talking sphinx, a sea serpent, witches, the Hound of the Hedges, a werewolf, a mermaid, an ancient god, and the elusive, everchanging Dr. Lao himself. The circus unfolds, spinning magical, dark strands that ensnare the town's populace: the sea serpent's tale shatters love's illusions; the fortune-teller's shocking pronouncements toll the tedium and secret dread of every person's life; sensual undercurrents pour forth for men and women alike; and the dead walk again. Dazzling and macabre, literary and philosophical, The Circus of Dr. Lao has been acclaimed as a masterpiece of speculative fiction and influenced such writers as Ray Bradbury.
