The Golden Rules of Competitive Auctions

By Julian Pottage, Marc Smith

Orion Publishing Co, United Kingdom, 2003. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book. An invaluable guide to knowing how and when to get into or stay in the bidding Competition brings many benefits - or so all the politicians say. Bridge players certainly subscribe to the theory. These days somewhere between two-thirds and three-quarters of all auctions see both sides entering the fray. Having a basic knowledge of how to get into or stay in the bidding is therefore a key attribute for success at the bridge table. You will often hear rules quoted such as do not double them into the game or leave the five level to the enemy . This book covers all the rules likely to help you and, as usual in this series, you will find plenty of examples both for and against each one.
