Reviews

Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Germaine Welch)

GLOVES AND GLOVE-MAKING

Shire Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Gloves and Glove-Making, Mike Redwood, From workaday marigolds to hand-wear custom crafted for the Queen, gloves perform many functions - insulation from the cold, protection from injury, and even ceremonial roles. Gloves have been used since prehistoric times, but in Britain their use as formal and fashion items took off during Elizabeth I's reign, and played a surprisingly significant cultural role well into the nineteenth century. They were often given as precious gifts, used in coronation ceremonies, sent to indicate assent, or even to offer a formal challenge. This beautifully illustrated history, published in association with the Worshipful Company of Glovers of London, delves into the glove's place in history, offers detailed descriptions of their production in the artisanal workshop and on the factory floor, and also tells the fascinating story of the closely guarded privileges of the glove-makers' guilds.
