Another me jumped to my brain when I was listening to him, no, you cannot. Other people can because they are strong but you are weak . I can even feel the weakness and nearly cry in front of people. I run out of the restaurant. Most people feel that they have a battle occurring inside themselves. When one side of this battle is being lost they feel depressed, helpless and weak, as in the situation previously described to me. What they can t see is that they can t ever win this battle on their own. While their inner conversations may lead them to feel that they re not alone, and are powerful in life, the outcome is never in their favor. The difficulty in helping individuals releasing themselves from these voices is particularly related to what caused such voices to manifest in the first place. Usually, it s related to a rejection felt inside the family or by one of the family members, being the relation between mother and son or father and daughter the most important. This manifestation can also occur in other situations in which the victim feels powerless towards life. The voices, however they are interpreted, arise with a perfect knowledge of the subconscious of the individual. And, although modern science experts may be tempted to say that it s the individual that produces his own secondary voice or that it occurs only inside his brain, the obvious failure of psychiatry in solving this type of illness, the lack of answers in psychology, and the shockingly violent treatments proposed for these situations, should seem clear enough in showing us that we can...
