Trafford Publishing. Paperback. Book Condition: New. Paperback. 68 pages. Dimensions: 8.5in. x 8.4in. x 0.3in. This book is a collection of short stories written by a nine-year-old about his daily life experiences and events as he sees them. The stories narrate events to kids from a kids point of view. Many of the stories are true. Some of the stories are true with a little embellishment, and others are complete fiction. Read along as Austin shares his experience on a roller coaster that goes so fast it breaks loose and flies into outer space, or read about a team of junior explorers in their lava-proof suits as they descend into a volcano. Obviously, those stories are fiction, but Austin also relates everyday experiences like the day he went to the grocery store with his mom and three sisters, and one sister temporarily disappeared. Austin will communicate his passion for football, computers, ice cream, and writing. These are all stories dreamed, written, and shared by a kid to kids. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
