Product Description: Tests of Skill is an adventure module and sourcebook designed to entertain and challenge players through scenarios and encounters that can be overcome optimally through role-playing, skill use, and diplomacy. While traditional hack-and-slash techniques can be used to complete portions of the scenarios, most groups will find that tact, thought, and appropriate use of skills, feats, and abilities are generally much more useful and effective. Features include: A generic, versatile wild-land setting (the Silurian Heights) that can be used as a campaign setting or easily dropped into almost any existing milieu, including statistics on six different urban areas and...
