

The Anglo-Saxon Chronicle

By -

Taylor Francis Ltd, United Kingdom, 1998. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book. The first continuous national history of any western people in their own language, The Anglo-Saxon Chronicle traces the history of early England from the migration of the Saxon war-lords, through Roman Britain, the onslaught of the Vikings, the Norman Conquest and on through the reign of Stephen. Michael Swanton's translation is the most complete and faithful reading ever published. Extensive notes draw on the latest evidence of paleographers, archaeologists and textual and social historians to place these annals in the context of current knowledge. Fully indexed and complemented by maps and genealogical tables, this edition allows ready access to one of the prime sources of English national culture. The introduction provides all the information a first-time reader could need, cutting an easy route through often complicated matters. Also includes nine maps.

Reviews

The most effective pdf i possibly read. It is amongst the most amazing publication i actually have go through. You are going to like the way the author publish this pdf.

-- **Chelsea Durgan PhD**

I actually started off looking over this pdf. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
