Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

WRITTEN IN THE CARDS

Soul Mate Publishing, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Maggie Rutherford jilts her too-perfect society groom at the altar and flees New York for the American West. There she turns her travels into dime novels that she writes and illustrates under the pen name Lud Madison. After the Civil War, veteran Ben Morgan marries his childhood sweetheart and takes her to homestead on the Great Plains. Losing her and their unborn child in an Indian attack, Ben detaches from emotion and becomes a roaming gambler. When he kills a cheating opponent in self-defense, the man's gunslinger brother swears revenge upon Ben. Ben hides on a cattle drive and brings in a herd to Abilene, where a waiting Maggie wants to find a rough and tumble cowboy to interview for her next story idea. Sparks fly as the dangerous drover and popular novelist wind up living in the same household, running a general store east of Abilene. But with Black Tex Lonnegan hot on his trail, will Ben run from his growing attraction to Maggie and the gunfighter's promise of death-or will he make a stand for his life-and love?.
