## AMBIGUOUS

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.AMBIGUOUS is a love story. A twisted tale of debauchery and possessive obsession, but a love story nevertheless. Gene Conner Davis never stood a chance at living a normal life. When born, Gene suffers a chromosomal disorder that renders him gender ambiguous - he has a set of plumbing that is virtually non-specific enough to give him a normal identity. His mother names him Jean before his father changes the spelling to Gene - making him, for all intents and purposes, a boy. A disappointment to both his mother and his father, Gene s childhood is spent chasing trouble through the tough neighborhoods of Rochester, New York. His mother is a psychiatric basket case with an alcohol and lithium addiction and his father is a low-level mob associate who eventually rapes and murders the celebrated heart surgeon who lives across the street. And Gene s best friend, Jerry Faulkenauer, introduces Gene to Polaroid photography, sexual experimentation and a host of other unsavory practices - including random vandalism - before Jerry is sent away to juvenile detention for carrying on an affair with Gene s mother. There is nothing positive looming in Gene s future - until the day he picks up a baseball and puts a schoolmate, Frankie Stewart, in the hospital by hitting him in the head with a hundred-mile-an-hour fastball. Suddenly, Gene is a prospect. He is a pitcher. He is also seventeen years old and still trying to figure who and what he really is. Blessed with natural talent, Gene signs a rookie league contract with the Sanibel Swine and moves to Florida. The sunshine agrees with him. The pretty...
