

Preaching Creation

By John C Holbert

Wipf Stock Publishers, United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Description: The human race, along with the animals and plants that make up the creation of God, face a difficult future due to the multiple ways that the ecosystem on which they all depend is currently under stress. Temperatures are rising along with the oceans. Rain forests are falling along with the polar ice caps. Questions of the environment are now front and center in any catalog of concerns. Those who are called to preach need to include in the subjects of their sermons these environmental issues. Our Bible contains significant resources, often overlooked, as bases on which powerful environmental sermons can be preached. This book introduces the subject of preaching and the environment, offering close looks at important biblical passages that address the cosmos of God, and presenting sample sermons founded on those passages. The book calls for preachers both to name the vast problems we face and to offer the hope of the gospel of God to address them. Endorsements: This is a must have book for every preacher who seeks to help congregations...
