Emerge Publishing Group, LLC, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A drama ripped from today s headlines 1963 As European colonists flee the Congo, a witchdoctor finds an abandoned child and teaches him the power of hatred. A hundred miles to the east, six American hippies on a joy ride across Africa, crash their VW bus in to a cemetery. While they wait for repairs they scandalize the local missionaries and Brenda Carter impulsively marries an African student. 2013: Brenda Carter brings Sarah, her deeply troubled granddaughter to Africa to explore her roots and meet her grandfather; the man Brenda married and abandoned fifty years before. When a Peace Corps worker is murdered, a baby is kidnapped, and all contact with the outside world is severed by a torrential rain storm, Sarah becomes an unwilling investigator making the connection between the abandoned boy from the Congo, the truth behind her grandmother s marriage, and fifty years of undercover CIA involvement in the politics of Africa. A compelling tale of Africa today where witchdoctors co-exist with modern medicine, where warlords carry cell phones, and where one small nation stands at the cross roads of America s War on Terror.
