It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Lucas Barnett and Gabriel Stewart didnt have it easy as kids. They were only trying to deal with bad situations at home when they became lifelines for each other. Their pipe dream was to someday meet in LA, where Lucas would design skyscrapers, and Gabriel would learn to fly. But then Gabriel disappeared without so much as a goodbye, and Lucas got himself in trouble with the law. Five years later, both men are at a loss when they run into each other at a Hollywood bar. Lucas is still angry, but its not as if Gabriel could control how his mind and body had betrayed him. Being found on the ledge of that bridge had changed everything.The attraction is immediate, but its more than their inability to keep their hands off each other. Neither man expects the fierce connection pulling them together. Unfortunately, ignoring their problems doesnt make them disappear. Gabriels internal struggles are serious dangerous. And no matter how much Lucas wants it to be true, saving Gabriel wont make up for not being able to save his mom. If they dont find the strength to face their own demons before the darkness takes hold, they risk more than just losing each other forever.
