Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Lupe Connelly)

THE PAST IS DARK

Ransom Publishing. Paperback. Book Condition: new. BRAND NEW, The Past is Dark, Peter Lancett, "The Past is Dark" is part of an award-winning fiction series for young adults with a reading age as low as 5-7. Each book features Dark Man, a shadowy, brooding loner who has been recruited to play a part in a secret, cataclysmic struggle between good and evil. In "The Past is Dark", a memory comes to the Dark Man. It is a painful memory, of a time before the Shadow Masters. The Dark Man remembers Astrid - the girl he loved - and the night in the forest when the Shadow Masters took her from him. Now, it is Dark Man's duty to stop the Shadow Masters, but can he forget Astrid? Following on from the shorter stories of the first twelve titles, the new books offer the perfect 'next step up' with stories of around 1000 words. Written at much the same level of difficulty, the stories entice readers by delving that bit deeper into the Dark Man mythology. The simple, carefully written texts focus on the 200 key high frequency words, and to assist the reader they are left justified throughout and printed in a clear, legible font on off-white paper (ideal for dyslexic readers).
